

Proposal Disclosure Policy

Michael Saboff - Apple Computer

Goals

- Foster greater openness of the proposal process
- Greater awareness of related proposal in other venues
- Understanding stakeholders for a proposal

Proposed Required Disclosures

- Disclose other organization(s) that are working jointly on a proposal.
- Disclose contracting relationship between organizations working on a proposal.
- Disclose similar or related proposals in other venues and the status of those proposals.

When / how

- Disclosures should be given when a proposal is first introduced to TC-39
- Disclosure summaries as part of updates and stage advancement
- No need for disclosures to be formalized

How do we incorporate this?

- Not sure - some options
 - Add to process document
 - Add to Contributing to ECMAScript page
 - Add to code of conduct
